KIM'S GAME!

Dear *Mayfair*,

I know shagging your mate's ex-missus is a bit of a shit thing to do, but when Charlie and Kim split up, I really couldn't help myself. He's one of my best and oldest friends, but I've always had a soft spot for Kim - and a humungous hard-on!

I was gutted for him - he seemed genuinely devastated - but when she came to my flat one night for a shoulder to cry on, I definitely wasn't about to turn her away. We'd always got on really well and she said she'd like a blokes' point of view, so I didn't question her asking for my advice.

Gulping back the wine I'd offered her, she poured her heart out. I was expecting tears, though none came, and she actually seemed quite upbeat about the future. Not that I'd have told Charlie that - if I'd ever mentioned her visit, that is. I put my arm around her as comfort and we sat like that for a few minutes.

"Know what?" she said, rhetorically, "I never could stand most of his mates, but it's different with you."

I made a sort of 'hmm' noise, unsure where she was going with this, and she snuggled right up against me. I smelled her hair, which gave me the beginnings of a boner - and just as I was telling myself off, she sat up and planted a sensual kiss on my lips. Automatically kissing her back at first, I suddenly caught myself and pulled away, telling her that I felt like a cunt - I was out of order, even though they'd split up already - and how I didn't want to take advantage. Kim shushed me and snogged me again. I know I should have been stronger in my resolve, but Kim is strikingly beautiful and I had been fantasizing about her for years now.

When she started undoing her top and dropped it from her shoulders to reveal a sexy lacy bra, her tits pouring over the fabric, I realized that I was powerless to resist. I buried my face between her ample cleavage, enjoying the feel of her soft mounds, as her hand sneaked down to my crotch and began stroking my already-stiff cock through my trousers.

Coming up for air, I pulled my T-shirt off and quickly unzipped my fly, allowing her access. Kim, in turn, slipped her bra off and her perfect boobs flopped out, free from the confines of the lace. I reckoned they were the best pair I'd seen in the flesh, and the sight of them nestled there, nipples stiff

Dear *Mayfair*,

Just a quick note to say how much I enjoyed the shot of Dannii on the cover of the latest issue. Indeed, I consider it to be the finest cover since 42/02 (Tiffany pulling her knickers down). The photograph has all the requisite ingredients for a cover shot - a stunning girl (shades of a young Dolly Parton?) in alluring underwear showing her figure to excellent effect. The image is a fitting riposte to Paul's letter commenting on 'the declining standards of models', a sentiment with which I imagine few readers would concur!

Cheers,
Ian, via email.

Thanks Ian! Blimey - the best cover in over nine years? Let's try and pull out another corker a bit sooner than that, shall we? - Ed.

and begging to be sucked, got my hard-on throbbing.

As I licked, sucked and nibbled on her nipples, Kim's delicate hand snaked into my pants and pulled my prick out, the coolness of her touch making me jump

fucking my thick fingers in and out of her moist hole.

They slid back out when she let go, and I took the opportunity to replace my hand with my face, immediately pushing my tongue into her pink wetness. She tasted

slightly. I gasped as she started wanking my length, rubbing her thumb pad over my cockeye every so often, making pre-come seep out. After a few minutes of this, I became so worked up that I was practically aching to be inside her.

Kim either sensed this, or felt the same, as she suddenly jumped up and pushed her skirt and knickers to the floor in one, smooth movement. She had a full, dark bush, and I couldn't help but move to my knees to have a taste. I ruffled her pubes, then parted her lips to reveal her wet pink slit. As I tasted her off my fingers, she sat back down, but before I got the chance to go down on her, she took the lead again, grabbing my hand and

JUST MY CUPPA TJ!

Dear *Mayfair*,

With another dazzling set of the incredible Tommie Jo to add to my well-thumbed collection, 51.10 ticked a lot of the right boxes for me. Tommie looked absolutely stunning, as per, with her gorgeous boobs, flawless arse and beautiful pussy all shown off to their best advantage by your photographer. These pictures exemplify for me why a magazine like *Mayfair* will always be better than looking at pictures on the internet! And as if that weren't enough, we were also treated to

some wonderful pictures of Dannii Harwood, a wondrous example of sexually mature womanhood who kept things extra alluring by keeping her suspender belt on throughout, much to my delight. The natural beauty of Noelle was also sheer joy to behold – especially the picture (given suitable prominence on pages 78 and 79) of her casually reclining, with her legs seemingly accidentally fallen open to reveal her delicious bald pussy. Mmmm! Alan, Hants.

gorgeous: musky but sweet and very, very moreish. I slid my tongue from her hole to her clit, pausing to pay attention to her swollen little nub, before going back again. I was pleased when Kim's moaning got louder and I felt her muscles begin to contract – a sure sign that she was coming. I doubled my efforts, bringing my fingers back into play as I sucked her clit, and was rewarded by Kim reaching her orgasm and spraying pussy juice all over my chin and in my mouth. I've never been with a squirter before and I loved it!

As I felt Kim come down from her climax, I wasted no time in replacing my tongue and fingers with my cock. I knelt between her thighs and bumped my helmet against her dripping cunt. Pushing my way between her sopping lips, I let out a long sigh. She was so tight that I was glad I'd warmed her up with my fingers first – no wonder Charlie used to brag about her sexual prowess!

I slowly eased inside her soft snatch until my balls banged against her bum. I then lifted her legs so they rested on my shoulders and I started fucking hard, ploughing into Kim's cooze with all my might. I knew I wouldn't last long – Kim was far too hot and her pussy far too tight – but I wanted to make her come again. So, using my thumb, I frigged her clit as I pummeled in and out of her juicy hole.

It wasn't long before Kim started moaning again, then wailing, then screaming, as she reached another orgasm! Timing it perfectly, I held off from coming myself until she began thrashing around and her fanny muscles trembled, then I let rip! Holding her legs by the ankles, I banged into her so hard she moved with each thrust, my balls slapping hard against her buttocks, until I reached nirvana. Shooting my wad of creamy jizz deep inside her twat, I climaxed hard, grunting as each spurt was expelled from my throbbing dick.

I'm ashamed to admit that Kim stayed the night and we shagged three more times – and a number of times since. She and Charlie aren't going to get back together, but I still feel like an arsehole going behind his back. I just cannot help myself, though, as Kim and I are really compatible. We get on like a house on fire,

and the sex is out of this world! It turns out that she is the most adventurous lover I've had and I can't wait to see where she wants to fuck me next! Don't worry, I'll keep you updated with any particularly interesting scenarios she comes up with!

WHERE THERE'S A GILL...

Dear *Mayfair*,

My wife Gill is a 32 year old brunette, with 36DD breasts, lovely legs and a cute and recently shaved quim. She's been a randy cow ever since we first met. We've fucked in our neighbour's front garden, she's sucked my cock in all kinds of car parks and I've even fingered her juicy pussy in a crowded pub, but this was my first blow-job on the motorway at 70MPH!

We were driving along the M11 when I noticed Gill slip a hand down the front of her jeans. "Are you fingering yourself?" I enquired.

"No, silly," she smirked. "I'm just feeling my fanny where the hair used to be, it feels different, funny..."

My cock started to twitch at the mere thought of her recently shaved pussy.

"It's all smooth and soft," she said, looking at me in a cheeky way. I recognised that look, I'd seen it a million times before. It was the look she always gave me before we did something mischievous or risky...

"But you haven't seen it yet, have you?" she smiled.

"No, I haven't babe. Don't you think as your husband I should be giving it marks out of ten for appearance?"

With that she smiled and pulled her jeans and panties off. Gill was right, it looked really different, all pink and smooth with her gash now clearly visible without all that hair obscuring her wet fuck-trench. Man, was I turned-on now; my cock was bursting out of my pants like a rocket launching from a

silos – I was going to have to let it out soon. She lifted her feet up onto the dashboard and parted her legs. Her cunt opened up slightly, teasing me with a glimpse of her clit. "Why don't you have a feel, babe? After all, I did shave it just for you."

I didn't need asking twice, I reached over and began stroking that buff little cunt of hers, sliding my finger between clit and hole. Popping my finger into her vagina then pulling it out and sliding the wetness of it back up and over her cunt button. I stared at her luscious labia and frigged her clit faster and faster when suddenly the car swerved. I was unceremoniously brought back to reality and reminded I was

Gill sucked harder on my cock, her head rising and dropping like a sex piston pumping for snake oil, slurping and groaning like a very happy wife while she pumped. A shadow cast over my side of the car and I looked to see what it was. A large lorry was now cruising next to me, the driver grinning down at Gill's head bobbing in my lap. Every few seconds his gaze snapped back to the road to avoid a crash, but he was soon looking again, enjoying the filthy show my wife was giving. "Some big lorry driver is watching you sucking on my cock darling," I said into my lap.

"Oh good," she replied then giggled. With that she looked up and, still holding my cock in one hand, blew the lorry driver a kiss and returned to mouth-fuck my knob.

star and gently teasing the opening with my finger. She groaned loudly – she liked having her bum played with, and I liked the results. She pounded my cock now, pulling it all the way out of her mouth to the very tip of my helmet then plummeting her head back down till her lips touched my ball bag. Gill began to shudder and moan – she was coming. I couldn't hold back any longer, either.

"I'm going to shoot my load!" I shouted, thinking she would pull away, but she didn't. I exploded my come into that willing mouth of hers – jet after jet gushed out as she shuddered and writhed beside me – her finger massaging her clit and my finger popping in and out of her arsehole. I just couldn't stop coming, she was forced to

PHWOAH AND PIÈCE!

Dear *Mayfair*,

Whilst I take Paul's point about the apparent decline of models with big natural boobs (Letters 51.10) let's be honest – you really can't beat a big-busted blonde to get the sap rising! Tommie Jo's magnificent mammaries are familiar to *Mayfair* readers and don't need me to praise them here, but it was a real joy to have Dannii Harwood baring all for the first time in your magazine. She looked sensational on the cover, but this proved only to be a foretaste of the delights to come. Has, I wonder, a more beautiful model ever graced the centre pages of *Mayfair*? I particularly like the photograph

on page 49 of her, which shows her hair, gorgeous face and bum to perfection. The *pièce de résistance*, however, is the centrefold, where Dannii is shown, fulsome boobs well displayed, arching her back and spreading her legs invitingly wide with (a lovely touch, this!) her discarded knickers beside her. Full-bodied naked women – you really can't beat 'em! Euan, Cheshire.

Thanks Euan – and everyone else who wrote in praise of Dannii – we won't argue with you there. Anyone who gets the right accents in the right place in *pièce de résistance* must know what they're talking about – Ed.

doing about 70mph on the motorway and had just crossed lanes and swerved back again. Before the panic of nearly crashing set in, Gill reached over and released my throbbing cock from its locker. The horny bitch hadn't even noticed the car swerve, she just wanted cock action.

"I fucking love this cock of yours," she said and curled her fingers around its girth before plunging my shiny purple head into her mouth. I was suddenly aware that there were cars all around us and at any point one of them might see what we were doing, but I didn't care. The thrill of someone seeing Gill wanking and sucking my cock was all part of the fun – I wanted someone to see us!

I looked back at him and had a sneaky suspicion he was wanking his cock while driving with the other hand. The thought of him being turned-on by my wife meant it wouldn't be long before I was going to fill that sweet mouth of hers with hot come.

Taking my eye off the road for a second, I realised my wife had slipped one hand between her legs and was gently rubbing her fanny nipple while she sucked me off. I could tell she was really turned on by it because of the rhythmic noise of her moaning and slurping on my cock. She was getting close to coming so I slid my hand across her back, between her arse cheeks, and stopped just short of pushing my finger into her hole. I began rimming her brown

pull away to stop from gagging on my salty spunk. Another jet of hot jizz shot from my cock and a blob even made it onto the windscreen. Without thinking, I switched the windscreen wipers on to clear it away!

Finally, my cock stopped coughing juice and Gill leaned back in her seat, smiling. I heard a lorry's air horn and looked to my right. The lorry driver gave me a big thumbs up, and with a cheesy grin, he pulled away.

As Gill pulled her panties and knickers back on she asked, "So, babe, what do you think of my new look fanny?"

"I'd definitely give it one!" I replied, already looking forward to the moment when I could get out from behind this steering wheel and really go to town on her gash!

“Ah, my heritage is Italian,” she let on, “which in case you hadn't guessed, means I'm full of fiery passions!”

Almost immediately, the Pope turns to the gentleman and says, "Excuse me, but do you know a four letter word referring to a woman that ends in 'unt'?" Only one word leaps to mind.

"My goodness," thinks the gentleman, "I can't tell the Pope that. There must be another word." The gentleman thinks for quite a while, and then it hits him. Turning to the Pope, the gentleman says, "I think the word you're looking for is 'aunt.'"

"Of course," says the Pope. "Do you have a rubber?"

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

Getting married quite suddenly in my mid-twenties seemed like the right thing to do at the time. When I first met my husband he was earning plenty of money and in the beginning he had only one care; me. However, as his workload increased, he spent less time with me and I spent more time sat at home on my own. Even worse, the

Since then I've been living with my sister while the divorce is going through, which has been a blessing in one sense, though my chances of meeting new men have been reduced since I spend so much time looking after her kids in return for her help. She's a divorcee too, and I was beginning to worry that we'd both end up living together forever, without getting any. As much as I love my sister,

starting my new job as a dental receptionist was a lifesaver as I immediately had a chance to go out with some new people. One of the women I work with is in her early forties and she invited me over to her house for dinner the second week I was there.

My loins howled at the moon when she introduced me to her 22-year-old son Tom. He was really athletic looking and I couldn't help looking at his toned arms and stomach. He seemed to be just as interested in me and stayed up late with us both for a few drinks.

As I got up to leave, Danielle insisted that Tom walked

me to the taxi rank, as it would be quicker than phoning up and ordering one. Whilst we walked he kept insisting that he couldn't believe how good I looked for my age, and that my husband was mad to divorce me. Flattered, I playfully slapped his arm, telling him not to be so silly. He put his arm around me to steady me slightly, pulling me closer. My heart was beating double time, but I allowed

him to leave his arm there, going a little quiet in anticipation.

I don't know what came over me but my natural instinct told me to put my arm around him, and within seconds he had swung me round and we were kissing each other wildly. His hands were instantly groping my chest, as he ground his pelvis against mine, letting me know how aroused he was with the bulge of his dick pressed into me. Once we had stopped for breath, he said saucily, "Can I come back to yours?"

I smiled but shook my head, as if to say, "We can't, can we?"

He didn't have to persist for long though, as the next minute we were in a cab together, with him on the phone to his mum.

By the time we got back, my sister and her kids were in bed, and we were sneaking around like naughty school kids. As I tried to fill the kettle, his hands were all over my backside, lifting up my skirt. Then he dragged my pants down over my arse, leaving me just in my stockings and suspenders. Pressing me

"DROPPING TO HIS KNEES, HE BURIED HIS FACE INTO MY MOUND, CRANING HIS NECK TO TEASE MY CLIT"

against the kitchen counter, he ran his finger down the crack of my bum, until he found the entrance to my pussy. Instantly slipping a finger deep inside me, I struggled to catch my breath as his other hand cupped my left breast.

I was soon standing with my legs apart as he fingered my pussy. Then, yanking my top off, he began to kiss and bite gently all over my back. The sensation was incredible, I hadn't felt this excited in years. Dropping to his knees, he then buried his face into my mound from behind, craning his neck to tease my clit with his tongue. Turning around and slipping backwards underneath me, he was now sitting between my legs and I was holding the back of his head as his mouth went to work on my hole. Using his hands to part my lips, he took long loving strokes with his tongue, looking up at me as he did it each time. The attention he was paying my pussy was something I had never experienced, and my mind was racing with thoughts of what I had been missing out on all this time.

I was soon distracted, however, by him standing up, cock in hand, and whispering 'Make my dick feel good,' into my ear. I didn't need asking twice to drop to my knees and, taking his shaft firmly in my grasp, I began to work my tongue around and under his foreskin. He took hold of my hair, as my lips sunk over his bell-end, and I allowed him to drive his dick into my mouth. Wanting to do anything he wished, I then let him keep hold of my hair and

amazing sex life we'd had ground to a halt. We used to fuck for hours in all positions, all over the house, but after a couple of years he would only really be up for it when he came in drunk after a night out with his mates. I suspected that he had begun to see people behind my back and the day my suspicions were confirmed by a good friend of his late last year, was the day I left.

push my head back and forth, deep-throating it.

Soon I was sucking his balls, before lifting them up to lick at his arsehole, and all the time tossing his dick off with my free hand. He'd obviously heard that older women were better in bed and I didn't want to prove him otherwise!

I knew he would be ready to come soon and my quim was still aching from the licking he had given it. Grabbing his T-shirt, I dragged him down and lay him flat on his back on the kitchen lino. Mounting him, so my arse was in full view of him, I sank down onto his pole in reverse cowgirl position. Placing my hands on his firm, muscular thighs, I then began to fuck him as slowly as possible, just enjoying the sensation of his length sliding in and out of my wet pussy. Desperate to keep things as dirty as possible, his finger was soon foraging its way into my anus, until he was knuckle deep inside. I hadn't had dirty sex like this for years and instantly realised what I wanted even more.

Rising up off him, I fell forward on to my knees, grazing them slightly on the hard floor. As he positioned himself behind me, desperate to get back inside, I reached back around and pushed my arse-cheeks apart.

"Fucking hell," he murmured. It was obvious that he'd never done anal before.

"Fuck my arse," I teased, as he nervously edged his dick into my bum-hole. "Push your dick inside," I continued breathlessly, as my sphincter relaxed, allowing access. After a few tentative thrusts, he was soon into his rhythm, holding my hips and driving his cock in and out of my hole. My arse was so tight around his prick that I could hear his breath quicken almost immediately. Knowing he wouldn't last long, I frigged my clit hard urging him to "Give me all your come!"

About a second later, he let out a huge grunt and the first jet of his spunk shot into my arse. This brought on my own climax, and as I felt the first wave of pleasure wash over my body, I commanded him to pull out. Dragging it out immediately, I felt more spunk hit the crack of my arse. He then proceeded to slap his dick against my cheeks, drenching them in jizz. The intensity of my own orgasm was insane by this point, and I was fully flat on the floor, face down and spread eagled, as I shuddered with every sensation. My knees burned slightly and my breasts were squashed out against the cold lino, but it just felt so good. Then turning me on my back he began to lick hungrily at every part of my upper body.

"You are so fucking horny," he sputtered, clearly up for more. And for once in a very long while, so was I!

"I BEGAN TO FUCK HIM AS SLOWLY AS POSSIBLE, ENJOYING THE SENSATION OF HIS LENGTH SLIDING IN AND OUT OF MY WET PUSSY."

I know this might sound unusual, but I'm a 28-year-old female and I simply love your magazine! I've been buying it for a few years, after finding my then boyfriend's stash of mags. *Mayfair* was the only one that stood out to me and, when we broke up, I found myself going out and buying my own copy every month! I do get the odd raised eyebrow in the newsagents, but there's something about holding actual pictures of the girls that I don't get from looking at stuff on the internet.

Being quite a studious (for studious, see shy!) person, I never ever thought I'd have an experience like the ones I read about in *Quest* – I always think the girls sound so adventurous and forthright, the exact opposite of myself! However, that all changed last month when I went out for a shopping trip in town, and ended up having an encounter that blew my mind!

As well as looking around most of my favourite shops, trying on anything that took my fancy, I had made an appointment to have a bra fitting in a little lingerie boutique I know. I'm kind of a regular in there: I adore their underwear, the quality of their sexy pieces is exceptional and I like that they aren't well-known yet, so hardly anybody else is wearing their brand. I have gotten to know the staff relatively well – by sight, anyway – but on my last visit I could've sworn one of the

salesgirls was flirting with me! I've never been into girls, but for the next couple of days I couldn't help the sexual scenarios playing through my head. By the time I headed in for my fitting, however, I had pushed all such thoughts from my mind.

When I entered the boutique that day, though, I was secretly hoping that she'd serve me – and someone was obviously listening, as her pretty face was the first that greeted me. After a bit of small talk, she ushered me through to the private area out the back that was reserved for fittings and, catching my eye and smiling in an unmistakably seductive fashion, asked me to remove my top so she could measure me.

As I took my jumper and strappy top off and she busied herself with samples, I studied her. She was about my age, with lovely creamy skin and a short blonde bob, her slim figure accentuated by the blouse and high-waisted skirt she wore. She chatted away in a friendly fashion as she asked me to lift my arms, but as she pulled the tape measure

under my bust, there was an unmistakable sexual tension in the air. I wasn't listening to a word she was saying, all I could think about was her delicate hands on my naked torso. And when her hand brushed my nipple, sending shockwaves through my body, I let out the tiniest involuntary gasp, surprised at my own reaction to this girl's touch.

Throwing the tape around the fullness of my boobs, she was slightly firmer this time, causing my nipples to harden and my breath become stuck in my throat. She took her time before announcing my bra size, then said that she'd sorted out some of their latest stock for me to try on.

I thought she'd leave me to it but she didn't, instead she handed me the first of an array of garments, which was a basque, and helped me slip the beautiful lingerie on. I could feel the heat from her in the enclosed space of the booth as she slid around behind me, her hands

making short work of the hook and eye fasteners down my back.

In the stillness of the booth I could hear her ragged breathing and my pussy twitched and dampened with each second she was close. At that instant, what I'd so desperately hoped for happened, and I felt her touch me - her fingers trailing over my gently over my back and caressing my tingling skin. I closed my eyes, took a long deep breath, and turned around, tentatively brushing a strand of hair away from her sweet face.

She met my eyes, her tongue flicking salaciously over her full, succulent lips and I melted, the tingling in my crotch now a full-on throbbing. I leant forward and brushed my lips against hers softly and she responded, locking her mouth on mine and pushing her tongue into my mouth. We kissed

blew gently over my flesh as she massaged my inner thighs, maddening me with desire.

Licking at my swollen labia tentatively at first, she was soon lapping away and I groaned, despite trying to stay silent. I pushed my shaven groin forward against her probing tongue, causing the tip of her nose to firmly impact with my erect clitoris, the peaking of each wonderful new sensation driving me towards a truly almighty orgasm.

The blood pounded in my ears and I whimpered, my climax shaking me from head to toe in an earth-shattering crescendo of bliss. My clit throbbed as my spasming vaginal muscles spat my secretions over the sales assistant's lovely upturned face.

Suddenly, we heard movement towards the shop front. "Is everything all right in there?" another female staff member called. She had

only to draw the curtain aside and we would be found out. The girl wiped my juices from her face frantically and stood up so fast she lost her balance and grabbed my elbows for support.

"We're fine, thanks Julie! Out in a minute!" She responded, straightening up and dusting herself down, our moment lost.

Naturally, I bought the basque that I tried on - if only because it was somewhat, ahem, soiled by the time we were done! I've been in to the boutique since, but the

girl hasn't been in there since. Part of me wonders if we'll ever have a repeat performance, but even if we don't, at least I now have a great story to write in to my favourite magazine with! I hope you print it!

Having a city job means putting in long hours in the office and any time I get to socialise I regard as precious. So when my friend, who's a secondary school

teacher, invited me out for a night on the tiles with her colleagues, I jumped at the chance. I came straight from work and met her in the pub where I stuck out like a sore thumb as I was clearly the most smartly dressed in there - especially in comparison to her friends from work! Nonetheless, after a couple of drinks I began to relax and her friends made me feel really welcome. One guy in particular, whom I soon discovered was the P.E. teacher, insisted on buying me drinks, quizzing me about my work and lifestyle. At one point my friend, Anita, let me know that he was the biggest flirt in school and that I should watch him. However, I was in too deep by that time myself, teasing him outrageously and letting him know that I was up for some fun.

As the conversation became more intense and we began to ignore the rest of the group, he started telling me how much he loves women who 'power dress' as he insisted on calling it. "I bet the guys at work can't take their eyes off you," he confidently said.

"Oh, all the women dress like this,"

I replied, brushing it off casually. "I'd love to come and visit you at work one day, then!" he whispered in my ear. Continuing in hushed tones he said, "I'd like to come and see you at home even more." My pussy tingled so much.

Not wanting my friend to suspect anything,

**"MY NIPPLES HAD
STIFFENED INSTANTLY,
AND HE WAS RUBBING
THEM THROUGH
MY JACKET."**

I made my excuses and left alone, before waiting in my car like a naughty teenager hiding from their parents. He kept me waiting for twenty minutes, by then my excitement was at boiling point.

Driving back was excruciating, I tried to keep my eyes on the road, whilst his eyes roamed my body and his hands edged my skirt back. Working it back over the top of my thigh, he revealed my suspenders, which sent him into raptures. "Oh my god, that looks so fucking horny," he said, exhaling hard to keep his composure. "Every woman should wear them."

We literally half-jogged down my drive and, fumbling frantically for my key, I desperately struggled to keep my hand still at the door, with his marauding hands all over my body.

My nipples had stiffened instantly and he was rubbing them through the material of my jacket. Staggering inside together,

I could feel his erect dick pushing hard against my arse, as he began to undo the buttons, and soon had one hand inside groping for my breast.

I knew he was unbelievably turned on and decided I was going to make him wait for what he wanted.

"Get on the sofa," I ordered, to which he dutifully responded. Seeing him sitting on my brand new sofa in his tatty old rugby shirt looked strange to say the least, so I asked him to take it off. I'm glad I did, as he revealed

passionately, our hands wandering and squeezing the other's form as lust took over.

Then without warning, she dropped to her knees, still so close that her mouth was literally only a few inches from my silk-encased fanny, and I could feel her warm breath dancing across the skin of my upper thighs. The juices welled up inside my pussy and my breathing got faster and more irregular as she pulled my sticky pants halfway down my tanned legs. Her breath

his muscular torso, and a toned six-pack.

I felt a slight tug in the pit of my stomach, excited at the prospect of getting hold of him myself, then I really went to work.

"Just lay back and enjoy the view," I instructed saucily and turned away from him, hitching my skirt up with both hands. As I felt the curve of my exposed bum with my fingertips, I looked over my shoulder to find he already, unashamedly had his dick in his hand, stroking it and staring intently at me. I carried on peeling my clothes off slowly, until I was crawling over the ornate sofa opposite to him, with just my basque and suspenders on. Removing even more until I was wearing just stockings and high heels,

I then arched my back, raising my arse up, showing off my neatly trimmed mound. Performing for him was turning me on more than I could have ever possibly imagined.

He obviously couldn't take any more and at the sight of this was over to me in a flash, getting down on his knees and taking my round bum cheeks firmly in his strong hands. Instantly his face was between my legs, licking at my slit with long luxurious strokes. I parted my legs slightly and his tongue foraged as deep as it could go into my cunt. My thighs were trembling with pleasure against his face, as he nuzzled in further, French kissing my pussy with his open mouth. He then ran his tongue upwards to my tight anus and flicked at it making my sphincter twitch uncontrollably.

I was loving every minute of it, pushing my pussy against his face as he devoured it, covering me with his saliva. I was incredibly wet and was dying for his dick, which I could feel all the time brushing around my knees.

"Fuck me," I breathlessly begged, and rising to his feet, he positioned himself behind me and then nudged his fat cock against my labia.

"You want to be fucked by a bit of rough, don't you?" he taunted, half-aggressively. Powerless to deny it, I replied with equal provocation, "Yeah – so you'd better fuck me hard. I know you're desperate to shag someone like me aren't you?"

I was never usually this brazen, but it seemed so right to behave like a total and utter whore.

Taking a fistful of my hair, and placing one hand on the base of my spine, he drove his cock deep inside me, letting out a moan of

pleasure as soon as he was fully in. There was no holding him back, as he pumped away inside my sopping snatch, spanking my bum with every thrust. Reaching around he took hold of my breasts and leaned over me until he could grunt filthy talk into my ear. "You're such a dirty, horny slut," he kept saying, which was turning me on like mad, and I, in turn, repeated, "Make me fucking come with your big, stiff dick."

I was receiving such a pounding that I was desperately holding on to the arm of the sofa whilst he rhythmically sunk in and out without missing a beat. My whole body had gone numb with pleasure and I was soon frigging my own clit hard with two fingers. Totally lost in each other, I could feel him kissing and gently biting the base of my neck, as

he continually fucked me without even the slightest pause. It felt so animalistic that my orgasm suddenly overwhelmed me and my eyes glazed with the sensation. My thighs shaking and my cunt wet with my own juice, all I could feel was his thick shaft deep inside me, as I climaxed heavily. My boobs were dripping with sweat, and his hands were squeezing them together, as he continued to fill me up.

Content and warm, I wanted him to feel incredible too,

so I leant forward until the head of his prick slipped out of me. Turning myself over onto my back, I

cupped my tits and ordered him to, "Come all over me." He responded by tossing himself off furiously above my chest. I was feeling dirtier than ever and opened my mouth wide, panting, "I'm ready for your spunk," which he delivered almost instantly. The first jet hit my mouth and I took it on my tongue swallowing it down and licking my lips, followed by the rest of it sprayed over my neck and tits. Pushing my breasts together again and arching my back, I watched with delight as his face contorted with ecstasy. Reaching forward, I dug my manicured nails gently into his toned body, as it shuddered under my touch. All his muscles had tightened and he was glistening with sweat, as he shook his last drop of jizz from the tip of his dick, covering my tits.

"Mmmmm," I purred, and taking his cock in my hand I gently sucked him off till he stopped moaning. "I love your cock," I said, "It filled me right up!"

Collapsing on top of me, spent, I wrapped my legs around him and we lay there kissing passionately, as our bodies, slick from juices and sweat, writhed together. The sofa was a total mess, and was covered in mud from the shoes that he was still wearing, as he hadn't even taken his trousers from around his ankles – we had been so eager to fuck each other! He was certainly more fun than most of the rich city guys who have been back here and I'm pretty sure I managed to fulfil his obvious fantasy for a dirty businesswoman, too. Don't you think?

Avid viewers of ITV2 (come on, we know you're out there!) will doubtless have clocked our very own Kara Delahoyde in the new series of *Love Island*, in which a bunch of eye-pleasing types are marooned with only a camera crew for company in the hope that they'll, well, you know! Now knowing Kara like what we do, we can't help thinking the lads will be all over her like a squirt of factor 50, but will she find true love, we wonder? Personally speaking, I hope not!

□ □ □ □ □ □ □ □

What's going on here – a Spanish babe with red hair and an Egyptian name – Amarna, you've got us all confused!

"Well, I studied ancient Egypt at college, so that explains my choice of modelling name, but as for the hair, you'll just have to blame my parents!"

From what we can see Amarna – and that's quite a bit! – we don't think we ought to be blaming your parents for anything at all!

MAYFAIR Movies

Walter might be trawling through box sets to bring you the best in international drama, but has he got what takes to sit through a mountain of scruff and pick out the highlights, eh? I think not!

Harmony

OUTLAND: BEYOND THE FAR WEST

CAST: Dahlia Sky, Tiffany Doll, Cathy Heaven, Alexis Crystal, Silvia Rubi.

Think of a word that starts with 'S' and ends with 'punk' that you'd expect from a skin flick? Well, yes, there's there obvious one, but this high budget release from Harmony also boasts another, quite possibly laying claim as it does to the title of the world's first steampunk scruff movie! It's a bold undertaking – the film looks genuinely cinematic (it's even shot in cinemascope, more or less) and features scenes of real emotion in between all the bonking, so you've got to doff your cowboy hats to Directors Bobby Peru and Archibald Witwicky Jr (!!).

Nacho Vidal plays a ruffian who returns to a frontierstown hellbent on revenge, which he sets about wreaking with a couple of killings to get the ball rolling before bunking up with Crystal.

★★★★☆

Editor's PICK

There are plenty more eye-pleasing bonings to follow, including a double dicking for some sort of mud-caked 'native American' Tiffany, and word has it this is the first part of a trilogy, too. Good to see someone out there making ambitious stuff like this these days.

★★★★☆

Sinful XXX

MAKE ME SWEAT

CAST: Anna, Kattie, Blanche, Nathaly.

A lot of your cheaper bongo flicks would like you not to notice that it's pretty well all been shot in the same location – maybe they'll move the sofa around or something in the hope you won't notice – but this release from SinfulXXX (a new studio on me) goes one better and takes the location out of the equation altogether! Well, in effect, because each of the four couple who feature in this film are shot on a completely black and unlit set, which results in no distraction whatsoever from what the protagonists are up to.

Given that the first scene opened not with a look at Anna but at her stud Figi's muscular torso, it's clear that the film's aimed squarely at the couples market, and things certainly proceed in a tasteful and, well romantic fashion. That's not to say there aren't plenty of arousing angles and close-ups, but nasty gonzo it certainly ain't! The other scenes proceed in a similar way – touchy-feely but still decidedly horny, making this flick a worthwhile addition to the couples-friendly canon. Available from your local sex shop.

Wicked Pictures

DIRTY MONEY

CAST: Casey Calvert, Bianca Breeze, Jezebel Vessir, Teanna Trump, Ziggy Star.

Ever wondered what a day in the life of a \$100 bill looks like? I know I have, but I usually conclude it probably spends most of its time sitting in a wallet, or deposited in a bank. Little did I realise that a hundred bucks could see quite so much action in 24 hours as the mute star of this interestingly-themed feature from Wicked. Then again, the money in question does start the day in Porn Valley USA, so he was probably always going to have a bit more fun than your average Country Joe greenback.

Buck, as we perhaps ought to call him, begins his day being withdrawn from an ATM by a chap called Stallion who doesn't waste

much time passing it on to his missus Casey, along with a big dose of loving. Seems like they've got a pretty good relationship, but they still head off to counsellor Bianca in the morning – and she bags the lolly! She then runs into a bent cop who, as well as taking the dough, bangs her on the bonnet of his car! She looks a treat as he pokes away at her, gagging on his knob as he tickles her tonsils before splashing off over and into her wanton gob.

Well, the cop's daughter Ziggy nicks the lolly and, well... on it goes. A novel and nicely shot take on *La Ronde*, with some cracking looking girls and some top sex scenes.

★★★★☆

NOELLE

Age: 21 Vital Stats: 36DD-26-36 5'4"

Photographer: JS Hicks/EXP

□ □ □ □ □ □ □ □

We'll admit it - we were toying with the idea of sitting on these pix of Noelle until Christmas, purely so we could make a pun on the cover about it, but given that it's a bright outdoor set and that the Ed's not particularly noted for being able to hold anything back for long (except his wallet)... well, here she is! And to be fair, it'd be a bit crappy of him to deny you her for another three months, wouldn't it?

MARIA

Age: 24 Vital Stats: 34DD-26-35 5'6"
Photographer: DDF

A warm welcome to *MF* newbie Marie, who, it has to be said, looks a bit tarty in that outfit of hers!

"Well thanks very much! I thought you'd like the lingerie – I'd always thought *Mayfair* readers went for that sort of thing!"

Oh, we do like the lingerie – don't you worry about that! And as for the tarty look, well we've got no objections to that, either. All in all we think you're a perfect fit for the magazine, so we'll hope to be seeing more of you soon. Not that there's much left to see, mind...

JESSICA

City slicker, Jessica Taylor, is something of a closet cross-dresser. When her boyfriend's out, she gets a real thrill trying on his clothes. "I love slipping into his suit, especially when he's just taken it off and it's still warm," she says snuggling up in his pinstripes. "It's just like having him hold me really close." Normally, the 22-year-old Docklands doxy prefers more feminine threads to caress her 36-23-34 figure. "Silk or satin is still the best next to the skin," she claims. "It feels so smooth, just like a cool hand sliding over me. It makes me so horny." Jessica's a real material girl. **M**

MAYFAIR Classic

'City slicker?' That rather gives the game away, doesn't it – we're right back in the days when yuppies were still a thing – 1993. And if the lovely Jessica and her pinstripes weren't enough, what we also have here is a prime slice of top tog Joanie Allum's handiwork. She's quite possibly the photographer older readers still go misty-eyed about the most, and for you youngsters, this set gives you an idea why...

MAYFAIR

Vol.53 No.5

On Sale May 2nd

There's a sombre mood in the office today as we absorb the news of the sad passing of two of the giants of British intellectual life – Professor Stephen Hawking and, of course, Jim Bowen. One of them did more than anyone else to unearth the truth about black holes, and never stopped probing the nature of the universe, while the other gave away crap prizes to contestants who were variably capable of throwing darts and answering questions. 'Remember to look up at the stars' said the former, and we will – assuming he meant top shelf stars like Emma and Adele!
